I am actually a few classes shy of the certificate in film. I want to take 33 and I want to take cinematography. I am 80000 in debt from law school but I also want an acting career. So bad I refuse to look for work unless I know I can be hired as an actor. i am so angry at being mad fun of and put down for being a smart girl instead of a sexy one and for being sick. read my instagram MARK because I was an advanced acting student in college. When i responded it would be easy for me to play a role in a student film at SMC it would be.

I was also into film back in Maryland. <https://www.instagram.com/p/BBsm3Q8g9zd/?taken-by=lauraanntull>

I am sick of being bulled or manipulated or watched for men or for BLake Shields or JORDAN MARKS or what ever insanity is up with the SCHOOL and CLay and the film department. I worked hard on sets for my SAG AFTRA card and I have not had a vacation since the 90s though I have not had a job since 2010. And the only thing that makes me want to work is ACTING.

Why did you want me on the list for FILM 33?? I need work and i need to be hired acting and I do not need games for any one especially MEN. I am straight but my goal is to be an actor and I would have chosen not to survive my mastectomy if I knew I was going to be in hell. NOt being allowed to pursue acting. not being respected as a woman just trying to do what I want to do and not for or because of anyone else. No games. I was happy on sets and I want that life back. period.

Peace and Be Green!

Truly,

Laura Ann Tull
