You are absolutely abhorrent, threatening to kill your parents?

You've been doing it for years.

That's sick and low.

**lauraanntull** @barrycaldwell if i kill both my parents will everyone stop trying to make me be like them and do what they want. That is what my twitter troll wants. Me making my GOP father proud. A father who talked me out of getting a hybrid car when I moved here and i wish I had put my foot down and said no. And who live in AZ but then dont fucking have solar power.
