Laura,

Unfortunately, we have decided to remove your access to the WeAudition community, upon further investigation.

The messages you sent to another user, and the instagram posts you shared including our website and another user are in direct violation of our Terms & Conditions which you agreed to abide by on signing up.

Your references to other people's race and ethnicity, religion, age and other language is not appropriate and has no place in this community.

It is an unfortunate step, as you did have many positive reviews, but despite that, we cannot allow hateful or inflammatory speech or actions on this platform.

Upon joining the site, you agreed to abide by the terms and conditions, which prohibit certain types of language and reference, and also agreed that reviews may be posted and may not be positive.

<https://www.weaudition.com/terms.php>

I have attached a PDF of your profile and your reviews to date for you.

Furthermore, regarding the content of your messages, we encourage you to contact the relevant professionals, and wish you the best.

You mean these. I do not get an email with a review. this women her camera did not work. I tried to read with her anyways. She did an ok job tu did not get the words right. I tell her she did a good job but she mixed up lines. It still made sense but not exact. I asked her if she was ok with that. FOR SOME REASON she thought I meant I wanted her to mix up the lines. As we were reading and trying again she kept stopping herself because she said she kept thinking the wrong word> i was patient and said OK. There is nothing I can do to fix the thinking process. I asked her I think if there was a reason she thought she kept doing it. Maybe if she realized why she would stop. But she kind of sounded angry at me. What she was doing was not in my control. I have clients who do not always follow the script and I leave it up to them.

I had a client last night replace the word DUNGEON with chamber and when he did I used the same word as the script repeated what he said. rather than stop him and mess up his acting as he was doing otherwise great. That made me remember what MICAH kept doing. There was no reason for her to do what she did and she was kind of off vocally from the start.

Has she read with other readers and her camera has worked?

I do not think leaving the reveis she did was RIGHT. See attached.

FYI I made a video of the REview she left me which I can not find in the system.
From Instagram.

This girl her camera wasn't on. I couldn't see her & we had to work blind. Honestly she was kind of Rude. Please note I don't need abuse. I've had tons of good reviews. She's being nasty.

gREAT. i DO NOT REFUSE ANYONE ON WE AUDITION. i AM ALSO 3% BLACK AND 2%JEWISH. bUT i HAVE BEEN TARGETED BY BLACK CHRISTIANS BEFORE. Jason W George hated me just because i think he thought i was republican because I was white and born in VIRGINIA. I have to cancel my surgery. AND TO BE HONEST though I did not feel welcome by the casting against you had as guests. I beat cancer only to beateh up because I was not CHRISTIAN APPLGATE. I had an extras casting agent act as if HEr fight with cancer was more significant then mine. I am sorry I did it, but not sorry. Because am not racist. I told MICAH REED her actions could drive a person to SUICIDE.

YES THEY COULD. and your acting like I am the hater here is pushing me in that DIRECTION. I do not need therapy. BECAUSE THESE FEELINGS ARE VALID.

Barry caldwell knows the union put me in to an institution and he knew I played a lawyer on ELI STONE. I was finally feeling like I was proving myself as an actor. But then I beat cancer and my fight no one cared about.

I am not gong to be able to sign up for streaming services, I am not going to be able to possible do anything. I AM GOING TO BE STUCK WITH IMPLANTS THAT ARE HURTING ME.

I made a copy of my account when I got to 225. I only had 10 more to get to 250 and I was so happy about that. But i do hate games that people play and I know that i have been targeted by BLACK PEOPLE for being ATHEIST.

Other than my posts is there another reason. Did someone say something to you? This is what my linked in says not and well I just added that my time on we audition is over. BUT I DO NOT CARE ABOUT MAKING MONEY OR SURVIVING. For the first time since I was blacklisted I actually felt like I might have a reason to survive. I say I am secular buddhist and I do not want to be messed with.

Did RACHEL MCVAY have anything to do with this decision? She was good in lysisstrata but not a friend.
