You are absolutely abhorrent, threatening to kill your parents?

You've been doing it for years.

That's sick and low.

alive anymore. Fuck you all. Someone said to me DiCaprio is not vegan. But we were talking about somethomg else. My being vegan and my wanting to do acting are fucking independment of my vagina.

Nothing in that screen shot is a threat to My parents. Oh wait I never want to see them again & will not live up to their expectations. .

My parents told me it was my veganism making me sick. They would try to trick me into red meat. Turns out I'm allergic to pork.

I'm also allergic to cats. Cat allergy = pork allergy. <https://www.nyallergy.com/pork-allergy/>

You are like Amelia Adam's. She says My parents are wonderful. I'm going to kill them because I want them out of my life? She also thinks I'm copying her? I don't want to be a beach blonde and sell houses.

My parents are Trump supporters. Heaven forbid I ruin his rep by telling people he abused Me. I told my parents I was happy in 2008. They insisted I could not be.

My parents have the right to dictate my life? Make me go to church. Make me vote GOP.

I'm required to date a Methodist with a real job to make my parents happy.

My parents would push me to suicide.

I said I would want to kill my parents if I had to work with people like them. That's not a viable threat. I refuse to talk to my mother because I can't pretend to be nice to her for fear ill give her a heart attack. I never said I will go Kill my parents. I've never planned to Kill anyone. I'm not that kind of a person. I've been sick. I'm sick of this misogyny discrimination and attempts to validate a decade of abuse.

I have told her repeatedly to stop writing me letters telling me God is blessing Me.

My relationship with my family is why sag aftra Is blacklisting me that's illegal in Cali .

I'm the victim of their lies & abuse.

<https://www.dir.ca.gov/dlse/howtofilelinkcodesections.htm>

I do not owe my parents my life. They fucked each other and if I had a choice I'd have better smarter more compassionate loving people for parents. I wouldn't have parents who would vote for Trump. My father & me: <https://youtu.be/K0pVKOx-Epk>

In these calls I talk about how Cassandra here says I threaten them. He refuses to give an answer. Refuses to send the supposed threats.

Stop gas lighting me .

I'm ashamed of America & the world for letting this happen to me. Letting these lies continue.

I recorded my father telling me he wasn't having the cops check on me. I also talked to him about Lovern.

The agent I'm talking about here is Lovern.

<https://youtu.be/h11kLke9q3k>

This. My father repeatedly says he has nothing to do with cops harassing me.

<https://youtu.be/Wf8By5I9BM>

You want to force me to practice law? A lawyer takes an oath to uphold the constitution of the US. I didn't know by taking that oath I would be required to give up My rights.

This is insane. My parents are not my keepers. If my parents were in charge of my life they would push me to kill myself.

Also that comment isn't from twitter. You are coming after me for my parents? This is messed up. You are the one messed up. I'm still in touch with Barry. He contacted me this past week.

He doesn't think I'm some kind of nasty monster.

I sent it to him. Because I don't know where its from. He's on 2 of my social media or 3.

I can't find that comment? Where is it from. How do you have it? How can you in the UK have something that looks like I posted on FB when I closed my FB months before my twitter was taken down? You claim you found me online on twitter? Or found me on FB & then decided because of what you saw somewhere I deserved to be taken off Twitter.

My non existant family values are disturbing you right? You keep going on about my parents.

Do you know Juliet Landua has gone public about her parents abusing her? That is what her film is about. She knows my parents are not right.

Cassandra wants me to admit I was crazy and deserved 3 days in an institution. She wants me to accept I'm crazy to think I could ever be hired as an actor. She wants me to give up all the time in my life I trained worked and dreamed about acting.

You want me to stay broken and depressed forever. You want to take away the people I really like and can e friends with & replace them with people who demand I be who they want. I work for them to achieve their goals. My goals were to work In the arts and acting.

I was cast in 2 shorts in 2011 and I was getting known as an actor. I don't want to go backwards to when I was a child and didn't stand up for myself.

I don't want people in my life who want me to quit acting. I want to be studying acting again. I want to take the plays of Shakespeare and re write them. I want to finish my horror script & star In it.

I'm not getting married. Apparently I need to want to get married or I'm crazy. No. Marriage to me is ownership .

I don't want to date a Christian man.

I'm sick of Christian men think they have the right to demand my attention and obedience because their beliefs mean by being with them I'm with God? That to me is delusional.

I don't want to be a fucking secretary.

I did not train to be a digital artist and film maker to be a door mat to a man in a suit.

I would want to get violent if you want me to go backwards. You do not want me to grow. I'm over 40 so I can't evolve. I can't do more. I was supposed to make it by My age and since I have not I need to quit trying.

I'm a woman so I can't play anymore. I have to be crapped on for the rest of my life. .

I didn't go to law school to be forced to be demoralized and shit on. I write scripts. I don't fucking want to write a book. I have more story ideas. I could write 10x more scripts in the time it takes to write one novel. I'd be bored stuck on one topic.

I'm smarter than 80% of the people I've met in Los Angeles. I'm being generous with that. Intelligence isn't about Grammer & spelling.

But you want me to accept I'm crazy. I can't achieve success at all in entertainment. Well I will never care about being

I would want to kill anyone who wants to make Me be their fucking secretary. You will make me threaten people. I'm so sickof you projecting onto me who I'm supposed to be.

You are crazy if you think I'm going to accept being shit on as OK. You are crazy if you think I'm going to accept your opinion of my sanity.

I do not fucking want to make a book. Change? Change isn't staying the same. I'm not a baby boomers. I'm an X Gen. I'm sick of this insanity. I want to be back with the Industry.

I am not into women. And if you are a man. I will kick you in the balls if you waste my time. I do not want to hang out and watch movies with people who treat it like entertainment. It is my profession.

For reasons I won't explain. Fact you are bringing Barry Caldwell into this Cassandra makes you vile evil and just a monster. I don't deserve your bad opinion. You have no idea what it is to be human right? Live in luxury? Think anyone who isn't sexy & hot should be labeled crazy? I am not a shark.

Barry Caldwell brought me home from the hospital with his then girlfriend after I was institutionalized. He wasn't scared of me. Wrote me a letter praising my work on sets. Offered me the lead in a short horror film. He broke up with his girlfriend. Got drunk and asked me to hook up with him. I told him no. I was the victim of a sexual assault. Friends fight. That doesn't make me a bully.

He does not need you hurting him by using him as a tool to hurt me. We are still friends. You are an elitist vile cold blooded serpent with no heart.

You say I'm lying about why sag aftra institutionalized me. Its In the police report. It says I Said I was a lawyer. I said I was a lawyer who never practiced. It says I told someone on the phone I'd get a gun. I never ever said that. I would never say that. Only person I talked to on the phone was on Katy Kurtzman and she denied in an email to me telling the police that. Katy & I had a discussion about scientology. I told her I walked away from them. They are a cult. I dont like to talk on the phone & can go days without calling anyone. In fact according to my cell phone I've called people 13 days this month. Most of those calls were financial or medical.

I'm bar #207690. I passed the Cali bar Cassandra. The hardest state bar in the US. <https://apps.calbar.ca.gov/attorney/Licensee/Detail/207690>

Yet you call me illiterate?

What am I delusional about? Being an actor. I had 2 sag movies in festivals I shot in 2011 before I was institutionalized. <https://lauraanntull.com/acting/?p=2720>

I wasn't interested in being a glamorous actress. I was interested in being a smart one. I was being asked to judge scripts. I was taking classes in digital media acting editing. I was writing theater reviews/ articles. I've written over 50 I think.

I trained at court tv in news broadcasting. I still have my press pass. I had a GPA at SMC. I wasn't after another degree. I was training to get skills because I wanted to be an actor & film maker. I was capable of doing that.

I directed this film and I did all the post production. I was the only person in my group who finished in time for the final. I was the only girl and I offered to help the others with editing. No one took me up on my offer. <https://youtu.be/5LjoXShGKMI>

So what am I delusional about? I'm a capable actress just not the sexy hot type. I'm a capable editor. I'm just not good at law. I quit in 2002. However I know enough to Play a lawyer on TV. When it comes to politics I have every right to talk law. When it comes to sag aftra. I'm a member & have every right to express my concerns. I may not be working today. But sag aftra would be committing a crime if they prevented me working in the future. Blacklisting is criminal in Cali.

Where did you get that comment because it's not from twitter. Barry works in industry. He has worked for Grey's Anatomy & worked on set with Ben affleck. Yet you claim I don't know you? You didn't do this for sag aftra or Shonda Rhimes?

I down loaded a copy of my old Facebook and I can't find that comment anywhere.

My twitter was shut Down by this Cassandra taylor person who claims I'm not being stalked. Yet has comments from My Facebook. Comments made to someone I worked with on sets.

I have nothing I want to do with my life Cassandra. Nothing. Acting and the arts were my passion. By telling me I can't be hired as an actor you are threatening my life. You are pushing me to want to stop living.

I don't want a job in environmental climate change. I don't want to work for a non profit organization. I don't want to be in corporate America. I don't want to marry a guy with a nice house so I can be imprisoned by him.

I don't have any stds. Frankly there are people I know working all the time in industry with stds. You think I'm nasty. What are your principals? Because if I'm nasty you'd have to be mother Theresa. I curse on occasion. You've driven me to mimic your behavior.

I want to write poetry and make art And act. I don't want to be in an office assoneones door mat employee.

One of the key to finding friends is similar interests. I hate swimming hockey horse racing animal Cruelty GOP Christian nationalism and misogyny. I also don't drink alcohol anymore. I love Shakespeare poetry art photography vampire movies and literature & good films. Love star trek. But most of all I love acting.

I took an acting class for lawyers in DC with Bruce Falk.

I'm never going to feel like I have friends if those friends won't accept I'm into acting.

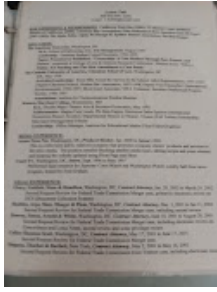

My old resume. I don't use it anymore. Because I quit wanting to be In law. It wasn't me lying. <https://www.thebalancecareers.com/can-i-leave-a-job-off-my-resume-2061038>

I didn't want to be a lawyer anymore. Which is why my resume now looks like an acting resume & also this production resume. But since I've been labeled crazy for wanting to be an actor I stopped trying to work in production. <http://womenlovepeace.com/blog/2013/03/13/work-resume/>

I don't want to work in news or reality TV. I prefer fiction over non fiction. I like my imagination.

Oh my god. This is for my father.

First Cassandra who is: senecaia@aol.com

I have done a search for that email in my other accounts and i get emails that do not have that email listed.

What is interesting to me is that these say I worked with someone on set who knew my father. Was that MICHAEL LOVERN GREEN, or someone else. In which case was I blacklisted by HOMELAND for my dad in which case the FEDS violated my rights and DISNEY AND ABC did this to me? I hate my father. Who my father is as an agent is not who he was as my dad. I was a straight A student. I went to college on a full scholarship.

If the FEDS had my twitter turned off do they realize they are pushing me to suicide and not to growing up to be raped by a NARCISCISTIC MISOGYNIST LIKE MY FATHER

CUT IT WITH THE GOD BLESS AMERICA CRAP. This country is not CHRISTIAN. It is secular.

SANTA MONICA college had a film maker who also was a former AGENT.

Are you an agent to CASSANDRA? I want to DOJ TO FIND OUT and Have you arrested.

I was not a bully on set. I also was not delusional. SOME FORMER AGENT thinks he will be an actor and deserves it without training simply because he carried a badge. I actually put in the work to be an actor.

Do the agents who worked with me on sets realize that they cost my parents over 1500000 by having me blacklisted from sets and that I was 100000 in debt from law school and the ONLY Industry I am comfortable in is the entertainment industry. MY FUCKING FATHER treats me like I am a child when I have three degrees and can not accept I spent more time in COLLEGE acting and did not study to work in law enforcement or border law crap. He could not even get me to talk to lawyers when I was a kid because they scared me.

YYou do have the right to police my life or prevent me working as an actor because you have a SPECIAL AGENT BADGE.

I am sick of this. Was MOLESTED. I lost my breasts to CANCER. I do have a future without ACTING.
