Hi Morgan, per your request, attached find the prop request list. The email sent should also explain that we need shades of WHITE for most items. Also open to ideas of masculine items (not white) for the BAG and we need material/ cloth/ tissue in shades of red, purple, and pink to create a textured flower type image.

Thanks.

Hi crew!

Here is a list of all the materials we're looking to have on set by wednesday. Please open the doc and check off anything that you can provide! :)

Sending to those who need it :)

Also, please share if you have any ideas for masculine items you may be able to provide.

Thanks, all!

Hi guys! I am meeting with Professor Carrasco today to finalize everything. I do know that I need to add to the list a manican (preferably headless). If we don't have a manican then maybe we can find a large doll.

This will be wheeled down by one of the extras in the background. I want Alan to feel like his life is on the line. The wheeling down of a manican will represent he is in for some kind of torture.

Laura  
I'm sorry to hear that there is so much trouble with sending out the list. I was just wondering if you could for now at least send me a hard copy of the list so that I am start looking at things we have vs. things we need.  
Please get back to me as soon as you can.

We will add them to the list. I was just curious if you had a specific look for the gloves, and wig that you where thinking of or if any would work for you.  
Please let me know when you can and I'm sure we can have a list update out soon.

Hey everyone!

I was in Michaels and Jo-Ann's just looking around to get some ideas and prices in case we don't have enough materials. A lot of the cloth is really cheap and it's on sale in case we need extra.

Just in case you're interested, I saw these styrofoam heads and torsos. They might be creepy to have in the background or maybe in case we can't get a manican.

Gloves I want to be lacy or leather.  
I also need bondage tape.

The masculine book is also very important. Book needs to be obvious and say something with the word MAN in the title

As far as wigs go - i have a bunch of wigs. We are good in that department.

Want to stick a head on a body & add a wig? I have a wig. It is a natural blonde but it is a bit messed up.
