I bet everyone who you email wishes you would fuck off.

Stop playing the perpetual victim.

Stop harassing people.

Stop putting peoples home addresses on your website & social media.

Address that paranoia that you think every woman is being nasty to you.

Address that paranoia that you think every man is hitting on you.

Get anger management therapy.

Stop send death threats to me, your parents and others.

Go back and read all that correspondence that everyone has sent you since 2006 since 99.99% of what you say is complete bollocks.

Today I got a call from mental health asking me if I wanted an evaluation. I recorded the call. I told them I was recording it. It's valentines day.

I told them they need to stop who ever is having them harass me because they are trying to drive me to suicide. No amount of therapy is going to change I'm an actor.

I'm back to being the person I was as a kid who doesn't want to talk to anyone sad just wants to be in my imagination. Maybe I'm not Normal. Maybe you should just accept that. I'm not dangerous for being creative. I'm not dangerous for being suicidal either. And if you keep trying to make me give up wanting to work on sets and in the Industry as an actor.

It's fucking valentines day.

I earned sag aftra. I trained as an actor in college. I have a masters in performing arts from American U.

This guy worked on sets with me. He at one point flirted with me and he's married. He has zero acting experience. He's sag aftra. He's former Homeland. When I told him who my father was he recognized the name. My father doesn't know him. <https://www.facebook.com/michael.j.lovern>

He responded to one of my posts on Hollywood os. He knows arne Star. Arne also was in Hollywood os.

<https://lauraanntull.com/acting/?p=2641>

Assaf Cohen knows I was cast union. He's friends with the lead of Chemical 13. That production was sag signatory. I not only worked Union background. I worked SAG.

People back in Maryland think I want to marry an actor like Delaney Williams who stalked me on Instagram. <https://www.imdb.com/name/nm0216257/>

He was divorced and trying to raise his kids. Well I'm a woman who wanted to spend her time acting and writing scripts & making movies. Not be traumatized to the point I'm convinced I have no talent. I can spend the rest of my life in a pathetic mindless job while I feel bored & dead inside. I was a gifted student. I'm Mensa. You jerks in Cali labeled me crazy for being confident.

I don't eat at McDonald's. I don't eat meat. Delaney isn't my soulmate. He's not smart enough. I don't want my kids abused and I wanted kids. I'm not looking to be some actors babysitter so I can bask in his fame. I want my own acting career or I don't want to be married to anyone.

I may recognize women as attractive. But I'm not attracted to women. I don't find myself sexually drawn to women. I only find men sexually attractive. I'm just a good actress. This is a student film from Chapman U and not reality TV. <https://youtu.be/KLBY7wy6d7Q>

I'm a former attorney who never practiced law but who also trained as an actor. Being abused as mentally ill because I won't accept I'm too old and pathetic to be an actor. Yet we are supposed to have laws against ageism & discrimination & even laws protecting the mental ill.

I'm sick of the disrespect Crabtree Ireland. I didn't have bad behavior. I was against the merger. You should not be running sag aftra when the only members you care about are the ones paying your salary.

I'm mentally ill for having an imagination. I have people I don't know bullying me on the street making snide comments they prefer reality. Yet entertainment community is filled with people who use their imaginations to make a living. I'm not mentally ill. I've been a creative person my entire life. I even tested as being more into art than science as a child. Psychologists are never going to fix my need to be an actor. It's not a mental illness. Actors have existed since the Greeks. Artists and creative are normal not insane. I'm homely so I can't be an actor? How very Hitler of sag aftra Assaf Cohen.

I don't care about romance. I never did. I don't read romance or watch Ron Combs. If I'd been left alone to work in peace I'd have created my own scripts & stories. I came up with the idea that Squanto was murdered. I am a social studies gifted student. I've forgotten more about American history than most Americans know. I was taking college level history classes in high school. Please note someone wrote an article in the Washington post. I question its accuracy however. Squanto wasn't weak. He was a survivor. He also betrayed his chief. Back then each village was a tribe. His tribe was part of a group of tribes under one chief. He betrayed his own people. Even Bradford thought he did the wrong thing. <https://lauraanntull.com/acting/?p=2452>

But I don't have talent. I can't have an imagination and come up with anything knew for Hollywood to do.

America is still in the dark Agee if it's going to use mental health to make women subservient to men. I'm not interested in being behind a man. I'm not interested in doing women's work. I could have gone to a sperm bank and had a kid all by myself without needing some Man owning me & taking credit for my creativity.

I certainly wouldn't give in to some nasty comedian. <https://www.newsbreak.com/news/2508281754188/video-of-joe-rogan-laughing-as-guest-describes-sexually-exploiting-young-women-at-comedy-club-resurfaces>

If Ben Affleck is a feminist he should be supportive of women being actors no matter what they look like. Not think they all want to hook up with him. Frankly I wouldn't hook up with anyone unless they agreed to take a full std test.

Again I'm 100% STD free. None.

By the way casandra Taylor. You shut off my twitter for saying I hope Gilbreathe suffers. As far as I'm concerned you might as well have taken your fingers and shoved them up inside my vagina against my will. If you are stopping me from being an actor you are raping me. You are taking away why I beat cancer. You are destroying everything I trained & worked for for years. I was not a bully. You are helping & defending a sex predator coke head.

I want to talk to Jeremy Gilbreathe daughters and tell them I never wanted him. I'm too smart to want a coke head. I've never had an STD. Never. I would not want a spank like Golbreathe in My life again. I want them to know when they turn 18 they can tell him to fuck off and find better men than their father.

Hollywood oS was a casting agent I worked for. Read my posts from the site. I worked for years on sets. I wasn't practicing law. I was terrified of not being able to pay my rent. Read these.

I complained about the bad behavior of background on a set. I got into a tiff with some men claiming I did weird things on sets. "Weird." That's just abusive. I did Job & didn't socialize with the men saying I did weird things here. I worked all the time. One guy even said he expected me to be recalled. It's insane that all it took was a few people to completely destroy my life. I didn't bully people on sets. I was bullied. I even say on Hollywood os I had been working for years.  
<https://lauraanntull.com/acting/?p=2641>

I earned sag aftra. I wasn't practicing law. I went inactive in 2004. I had years of experience on sets. I also trainer in acting.

I

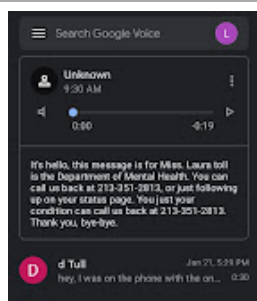

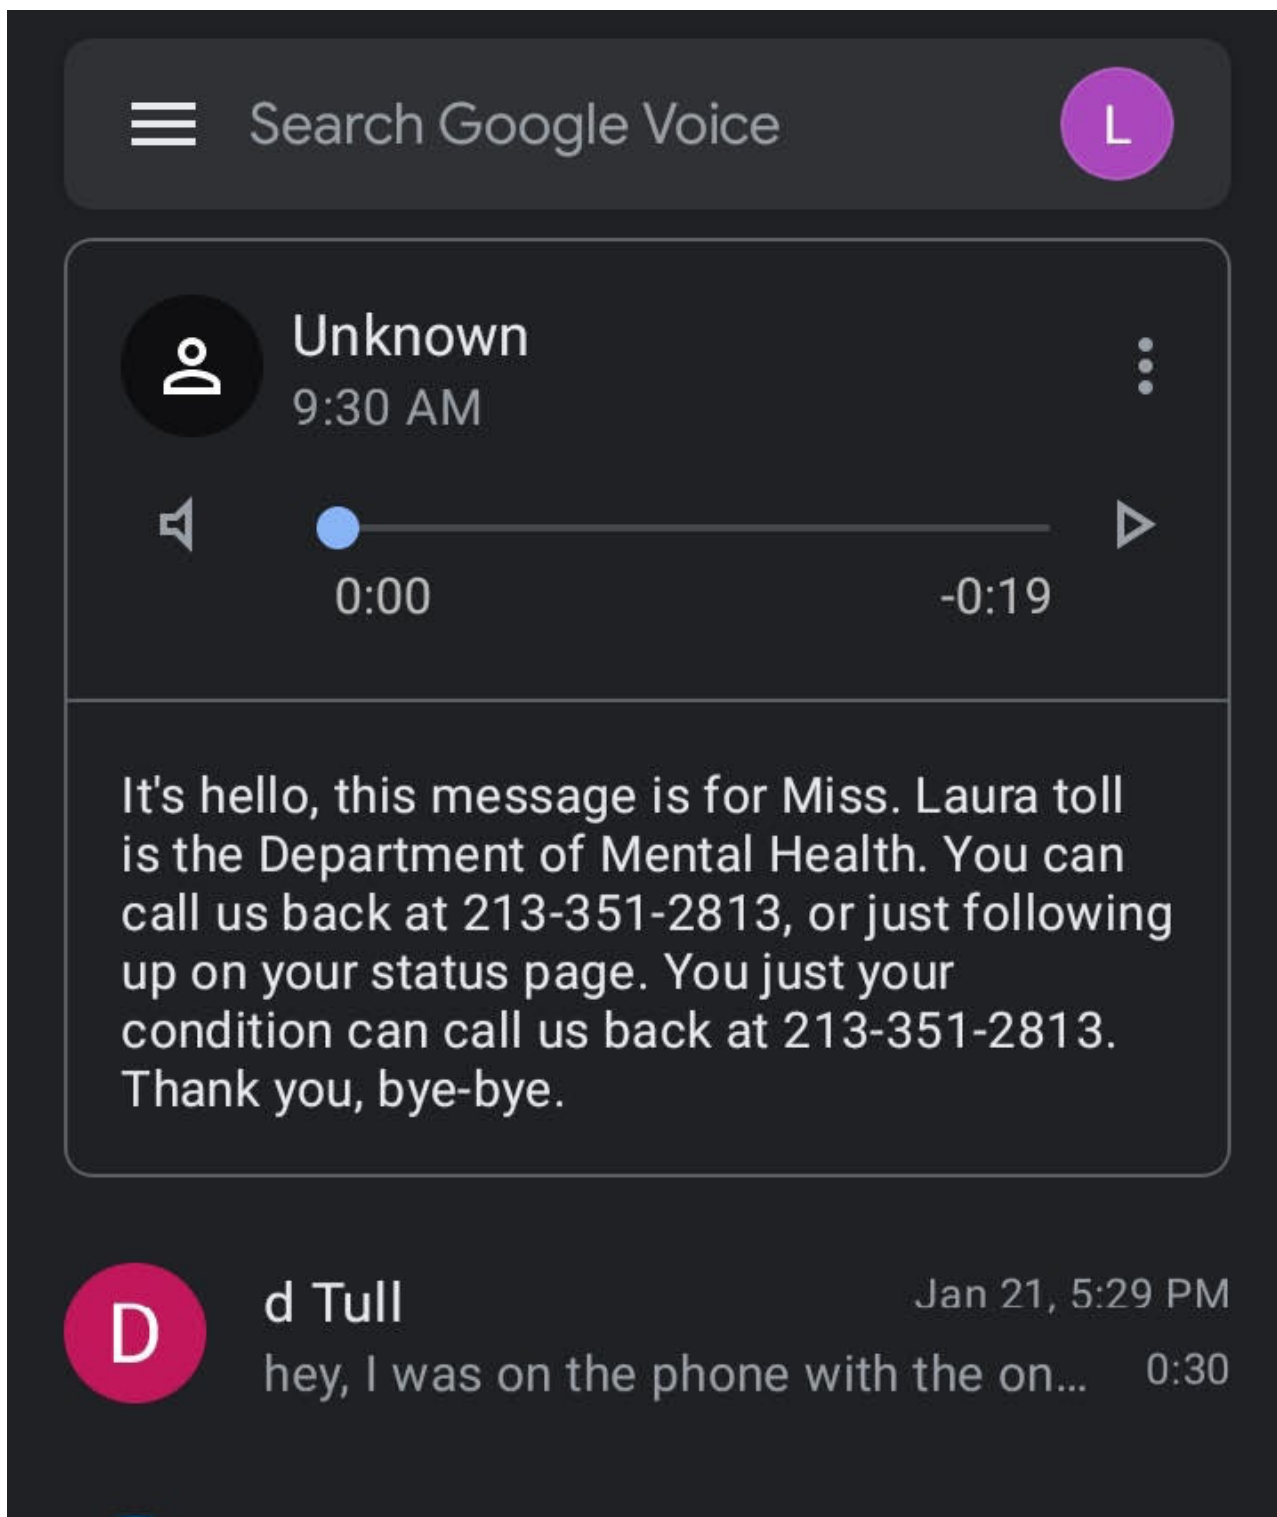

My twitter was taken to Make me look like I'm not likeable. Now I'm wondering who did that. Read these posts. I wasn't a narcissistic person. I was a pro on sets.

I want sag aftra to tell the membership I'm a member. Apologize for throwing me into an institution on a lie.

I don't have an std. I have a latex allergy.

Herpes doesn't go away. You get break outs 3 or 4 times a year if you have it. I am not on medication for herpes. I don't get cold sores or vaginal herpes. None. Yet I'm sick with an autoimmune disease. I don't have it. Never did have it. Never gave it to anyone. I graduated college a virgin. I've only had sex with 6 men in my entire life. 3 east coast. 3 west. In college they called Me the vitgin of the theater. I wasn't a bad girl with bad behavior. I was too good. I certainly would not put up with men trying to make me hook up with them to get ahead in Hollywood. I'm not a Christian. I just don't want an std and had friends back east die of AIDS in the 90s.

I'm not going to stop emailing people or trying to find ways for people to hear my story until I have justice for a decade of lies. I am an actor. I'm not a has been actor. I'm not going to survive if I can't be an actor because there is no me loving life within acting.

Know what I find INTERESTING CASSANDRA- it is your obsession with the people I knew back when this whole mess got started. WHICH BY THE WAY. As I recall the emails I got from MICHAEL LOVERN GREEN. he told me he did not know ARNE STARR. He also did not tell me he knew my father at all. I find what you sent me interesting.

as far as I am concerned the FEDERAL GOVERNMENT AND YOU CAN GO FUCK YOURSELF. IF THEY ARE PART OF LABELLING ME CRAZY AND HAVING ME FIRED FROM SETS. THEY HAD NO RIGHT TO DO THAT FOR MY FATHER.

i DO NOT WORK FOR THE feds. i NEVER WILL WORK FOR THE FEDs. IF MICHAEL LOVERN GREEN USED HIS POSITION WITH THE feds TO HELP MY FATHER OUT AND HAVE ME DECLARED INSANE THAN I WANT HIM ARRESTED FOR MISUSING HE federal position. JUST BECAUSE HE SAYS HE DID NOT HIT ON ME DOES NOT MEAN HE DID NOT MAKE ME FEEL UNCOMFORTABLE. HE SHOWED UP TO SPEC A SET WHERE I WAS EMPLOYED AND HE WAS NOT. WALKED STRAIGHT OVER TO ME AND LOOKED ME UP AND DOWN LIKE A PEACE OF MEAT. THEY HAD ME IN A DRESS SO SHORT PART OF MY THIGHS WERE EXPOSED. THAT TO ME WAS HITTING ON ME.

i saY FUCK THE usa IF i HAVE TO BELIEVE IN god OR GIVE UP BEING AN ACTOR. i DO NOT WANT TO BE FUCKED BY AN AMERICAN MAN WHO WORSHIPS THE flag AND a god OVER THE constitution.

i LOVE ACTING. FEDERAL AGENTS ARE NOT FUCKING QUALIFIED TO DECIDE WHO IS CRAZY AND WHO IS NOT.

i NEVER SENT DEATH THREATS TO MY PARENTS. IF THEY SAY I DID THEY ARE LYING. NOT BEFORE YOU SENT THIS EMAIL ANYWAYS. i

BUT MY FATHER WOULD MAKE UP A LIE LIKE THAT TO MAKE ME BE HIS PROPERTY.

i NEEDED TO MAKE A LIVING TO. i NEEDED TO PAY BILLS LIKE THE 100000 I OWED IN STUDENT DEBT. i HAD JUST BEAT CANCER AND THEN i WAS MOLESTED.

WHAT IS DELUSIONAL IS michael loevern GREEN THINKING HE COULD BE A WORKING ACTOR WITHOUT TRAINING SIMPLY BECAUSE HE WORE A SPECIAL AGENT BADGE.

whAT DID ARNE STAR GET HIM THIS gig ON star trek.
