An actress left a review that I was rude, but her camera was not even working. I could not see her. And I tried to help her fix it. I kind of had a feeling she was being two faced. Or even lying about her camera not working. She is a trained film maker and can not get a webcam to work?

Micha REED. The review does not appear in my email. SO its there for all to see and I would not know at all.

FYI I know RACHEL Mcvay. We did a play together in long beach. I do not think she likes me but I hate TEXAS and was sexually assaulted by a guy from texas and well, I did not know she was from TEXAS when we did the play. I also am conservative in my personal choices but liberal in my politics. I do not think she likes me though I have kept in touch with the DIRECTOR and one of the other actresses. We talk on social media sometimes.

I want peace and intelligence.

I am on your site to help people. NOT TO BE abused or well gas lighting mean girl games.

The girl who booked me and then did not show up yesterday I noticed today popped up as giving RACHEL a stellar review for SHAKESPEARE. I emailed the girl and tried to contact her on instagram when she did not come into the room. Rachel is a good actress but competitive. I am not out to compete with anyone.

See attached. I have learned from years of well online trolls and just life that if something weird happens I should document it.

I am a secularist. I am willing to work with anyone, but I do not need games. I do not need someone I want to help sticking a knife in my back. THAT IS RUDE.

Peace and Be Green!

Truly,

Laura Ann Tull

Hi Laura

Regarding your session with Micah Reed, I see the review on your profile.

Generally speaking, we don't remove reviews that are subjective about the session, so that the platform does remain authentic and trusted. You have over 200 amazing reviews, so I doubt anyone will take any notice of this one.

However, since it is not very objective and doesn't explain why, I am happy to remove this review from your profile if you would like me to.

All the best,
Darren

Please because I never got an email about it. I have no record of it other than I printed out a copy of my reviews for my record. These was something really off about her and what happened. Check your system because I get an email for every review. I have checked and double checked and there is nothing. I sent her a message telling her I did not appreciate her comment and well if she is as young as she is in the photo she needs to understand words do matter. and actors are sensitive people. I never want to read with her again. I have forwarded you the rehearsal session and if I could find the email with the review I would send that to you to.

It is odd I have no email for the review at all. Almost as if the system did not want me to see it and that is bad.

I can assure you the system doesn't work like that. But Richard will investigate in case there is a glitch.

I had a black guy I knew in college get on my facebook page and then told me to go find JESUS. ERIC BIRD. I am not racist. I just do not like people who backstabb and use their status in a minoroty group to think it is an excuse to bully or lie or steal. There is no excuse for cutting someone down and hurting them.

Now I have to think about cancelling my surgery because I do not have a reason to get the implants out because I do not want a life without actors.
