HOW dare you? Why? Do you know I emailed WEAUDITION and told them you were having trouble with your camer. I AM ON HERE TO HELP PEOPLE not to have some child be underhand and destroy my life. I could die because of your calous remarks. I have BILLS TO P

Acting is the only reason I want to stay and you threaten it. I do not want a life without acting and you should be revomed from this site,

Actors are sensitive people. You with your calous opinions could drive someone to suicide. GET OFF THIS SITE. YOU ARE NOT SAFE FOR ACTORS.
